

Long-Term Care Ombudsman Volunteers Needed

For Residents of Nursing Homes and Assisted Living Facilities in Lake & Mendocino Counties

Why Are Volunteers Needed??

Residents of nursing homes many times cannot voice grievances on their own behalf.

More than half of all residents in long-term care facilities have no relatives and no regular visitors.

The residents of long-term care facilities are often frail and they may need the services of the Ombudsman to advocate for their rights.

Are you looking for community involvement? Are you concerned about elderly family members, relatives or neighbors? Become a **Certified Volunteer Ombudsman!**

The Ombudsman deals with resident rights, quality of life, care concerns, receiving and investigating complaints and is an advocate for the elderly.

The Ombudsman provides information to families, friends, and prospective long-term care residents.

WE WILL TRAIN YOU FREE OF CHARGE!

The Ombudsman Program is accepting applicants for the next Volunteer Training Program
